Reducing Adapters
Reduce 30mm to 22mm adult size fittings, 22mm adult size fittings to 15mm pediatric size fittings, or reduce 22mm adult size fittings to 10mm neonatal fittings. Available in reusable or single patient use.

Reduction Adapters
- Reduce 30mm to 22mm adult size fittings
- Reduce 22mm adult size fittings to 15mm pediatric size fittings
- Reduce 22mm adult size fittings to 10mm neonatal fittings

Available in reusable or single patient use.

Reducing Adapters
- Single Patient Use
- Reusable

In-Line MDI Adapters
- Direct aerosol medication mainstream from standard MDI Cartridges for ventilator patients. Clearly marked airflow direction arrows. Plastic or metal tipped standard medication canisters may be used.

Available in reusable or single patient use.

MDI Adapters
- In-Line MDI Adapters are direct aerosol medication mainstream from Standard MDI Cartridges for ventilator patients. Clearly marked airflow direction arrows. Plastic or metal tipped standard medication canisters may be used.

Available in reusable or single patient use.

Specialty Adapters
- Specialty Adapters increase respiratory care treatment delivery options. Use an Adapter with a vent. In-Line Adapters for CRP systems... 22. Elbow Adapters... Moultrie/Adapters...
Silicone Rubber Connectors

Silicone Rubber Connectors are reusable, autoclavable and remain pliable for reuse following sterilization. Adult, Pediatric, and Neonatal sizes are available.

- **BE 101-00-1426** Adult Tapered 27mm I.D. x 22mm I.D.
- **BE 101-00-3443** Adult Straight 22mm I.D. x 22mm I.D.
- **PF 001** Adult to Pediatric Reducing 22mm I.D. x 15mm I.D.
- **PF 1510** Pediatric to Neonatal Reducing 15mm I.D. x 10mm I.D.
- **PF 1515** Pediatric Straight 15mm I.D. x 15mm I.D.
- **PF 1010** Neonatal Straight 10mm I.D. x 10mm I.D.

**5 in 1 Connector**

SH 7-2 Single Patient Use

Hose Connectors

Hose Connectors change a 15mm, 22mm, or 30mm I.D. low pressure gas outlet source to a 1/4´´ small bore tubing connection. Also available, 15mm O.D. x 1/2´´ O.D.

- **ADP 150** — Reusable 15mm O.D. x 1/2´´ O.D.
- **BE 145-2P** — Reusable 15mm I.D./22mm O.D.
- **BE 145-1522P** — Reusable 15mm I.D./22mm O.D.
- **BE 145-2230P** — Reusable 22mm I.D./30mm O.D.
- **KC 211-D 60° w/ Nebulizer Port** — Single Patient Use 18mm I.D./22mm O.D. Nebulizer Port 22mm O.D. x 22mm O.D. x 22mm O.D.
- **KC 212-D 90° w/ Nebulizer Port** — Single Patient Use 18mm I.D./22mm O.D. Nebulizer Port 22mm O.D. x 22mm O.D. x 22mm O.D.
- **KC 213-D 60°** — Single Patient Use 22mm O.D. x 22mm O.D. x 22mm O.D.

Patient Wye Connectors

Patient Wye Connectors are available in various types. Reusable, single patient use, 60°, 90°, with or without pressure, temperature, or nebulizer ports.

- **BE 127** — Reusable 22mm O.D. x 22mm O.D. x 15mm I.D./22mm O.D.
- **BE 127-45 w/ Pressure Port** — Reusable 22mm O.D. x 22mm O.D. x 15mm I.D./22mm O.D.
- **BE 127-7.5 w/ 7.5mm LD Temp. Probe Port** — Reusable 22mm O.D. x 22mm O.D. x 15mm I.D./22mm O.D.
- **BE 127-7.5-45 w/ 7.5mm LD Temp.Probe Port & Pressure Port** — Reusable 22mm O.D. x 22mm O.D. x 15mm I.D./22mm O.D.
- **KC 211-60° w/ Nebulizer Port** — Single Patient Use 15mm I.D./22mm O.D. Nebulizer Port 15mm O.D. x 22mm O.D. x 22mm O.D.
- **KC 212-90° w/ Nebulizer Port** — Single Patient Use 15mm O.D. x 22mm O.D. x 22mm O.D.
- **KC 213-60°** — Single Patient Use 22mm O.D. x 22mm O.D. x 22mm O.D. x 22mm O.D.

**“Christmas Tree” Connectors**

“Christmas Tree” Connectors are available in 6 colors for easy color coding! Green/Oxygen — Yellow/Air — White/Vacuum Blue/Nitrous Oxide — Black/Nitrogen — Clear/Universal

- **a. Standard** — SH 74 Series
- **b. Swivel** — SH 75 Series

**90° Elbow Connectors**

90° Elbow Connectors add versatility to circuits. Reusable 90° Elbow Connectors are available with or without a barbed or a coupled twist-lock port for gas sampling or pressure monitoring.

- **a. KC 18901-K** Single Patient Use 15mm I.D. x 10mm O.D.
- **b. KC 18901-L** Single Patient Use 10mm I.D. x 15mm O.D. Reusable 15mm I.D./20mm O.D. x 10mm I.D.
- **c. KC 18901-O** w/ Baried Port 15mm I.D. x 10mm O.D. x 10mm I.D.
- **d. KC 18901-P** w/ Baried Port 15mm I.D. x 10mm O.D. x 5mm O.D.
